

CINDY MURRAY
CITY CLERK

KUDOS to City of Lafayette's 2010 United Way Campaign

What a great campaign! Thank you to everyone who participated through monetary donations, volunteering, cooking or advocating for United Way.

Our 2010 Chili Cook- off raised \$3150 dollars this year. This year's winners were:

1st Place- Lafayette Water Works Plant

2nd Place- Mike Frampton

3rd Place- Gui DeReamer (Greely & Hansen)

People's Choice- Stanley Knight

Our judges were Mayor Roswarski, Mayor Dennis, Barney Scheumann and WLFI- Jeff Smith. They all thought the Chili's were **tasty, spicy, hot, sweet** and just plain **GOOD!** I don't think they felt too much indigestion, as least I have not heard any complaints....

We still have cook books for sale in the Clerk's office for \$5.00 if you are interested with many of the previous year's Chili Cook- off recipes.

Our City of Lafayette employee campaign hit a record goal of **\$20,000** this year. Last year we raised \$12,111. This increase is remarkable, I am truly humbled by every dollar we raised. Unlike most of the companies the city is unable to give a corporate gift, so the majority of the funds that were raised were from the employees. Our special events – the luncheon with the Themed Baskets and the Chili Cook off are also included in the total amount.

As 2010 United Way Campaign chair I sincerely~ THANK YOU.

Cindy Murray, City Clerk
